SUMMARY

Passionate and driven individual with a mission to promote job creation through Practical education, Transportation and environmental conservation. Currently pursuing a Bachelor's in Entrepreneurial Leadership at African Leadership University (ALU). Completed courses on System Thinking and Gap Analysis, Idea Generation and Futures Thinking, Structured Controversy, and other courses that allow me to look at how some challenges we have in our continent can be solved. Organized and hard-working professionals with 2 years of business management experience. Outgoing and supportive worker with skills in communication and Time Management. Recognized for dynamic work ethic and team player attitude.

EDUCATIONAL BACKGROUND

African Leadership University – Kigali, Rwanda

January 2023 – September 2026

BEL. Entrepreneurial Leadership

Relevant Coursework: Unemployment Issues; International Economic Issues & Challenges; African Studies; Poverty Policy & Inequality; Democratic Challenges, Ideas & Issues.

PROFESSIONAL WORK EXPERIENCE

I worked in EDUFARM. I was a Team Leader and it was in 2021 in Mahama Camp we were coordinating mobilizing children, especially Girls and I worked as Leader of people who have disabilities in my village.

Solving Problems with Creative and Critical Thinking | Coursera (I.B.M.) | May 2023

Developed critical and creative thinking skills to analyze and solve complex problems effectively.

Gained expertise in a five-step problem-solving method for root cause analysis and solution finding.

I was also interned in RGB last year in Service Delivery Department for 3 months from Sept to december

EXTRACURRICULAR ACTIVITIES

I was volunteering at SAVE the Children in Rwanda specifically in Mahama Camp it was from 2021-2022
