PROFESSIONAL WORK EXPERIENCE

Digital Strategist Reeddi Technologies – September 2020 – January 2024

- I was responsible for taking data and stocks of all technological products
- I created digital campaigns for sales
- Managed a team of 20 people
- Provided online technical support to customers
- Responsible for onboarding new customers on our website and online services
- I was responsible for creating engaging content on all social media platforms.

Hubs Ambassador African Leadership University – September 2023 – December 2023

- Spearheaded partnership initiatives as a Hubs Ambassador for ALU, successfully closing deals with prominent organizations, including AIESEC, Reeddi Technologies, and Microsoft.
- Through these partnerships, I made sure students had internship opportunities.
- I was responsible for organizing events within and outside the hub.
- Implemented effective communication strategies to promote ALU's mission and vision, fostering a culture of innovation and collaboration.

Founder & CEO, OpenSchool – November 2023 – Current

- Founded and managed OpenSchool, an Edtech startup focused on revolutionizing high school education by integrating technological curriculums such as robotics and other vocational skills that enhance kid's learning experience.
- Led all aspects of business operations, including product development, marketing, sales, and customer relations.
- Successfully launched and scaled OpenSchool's offerings, driving growth and increasing market presence within the education technology sector.

Volunteer, TedXALU Rwanda – June 2023

- Contributed as a volunteer for TedXALU Rwanda, supporting event planning, organization, and execution.
- Collaborated with team members to ensure the success of TedXALU Rwanda events, promoting ideas worth spreading within the community.
