SUMMARY

As a software engineering student, I am passionate about leveraging technology to solve real-world problems. My journey in software development has equipped me with a diverse skill set, from coding to project management. I am dedicated to continuous learning and growth and thrive in collaborative, innovative environments.

EDUCATIONAL BACKGROUND

African Leadership University, Kigali, Rwanda
Bachelor's Degree in Software Engineering

2023 – 2027

- Focused on obtaining a Bachelor's Degree in Software Engineering, emphasizing comprehensive skills in software development and engineering principles.

Relevant Courses:

- I completed high school in Mathematics, Physics, and Computer Science, which established my interest in Software Engineering.
(2019 – 2022)
- I attended the August 2021 No-Code camp held in Rwanda, where I learned how to use various no-code tools.
