## PROJECTS / ACHIEVEMENTS / AWARDS

---

- Awarded Top 10 best students by the Examination Council for the South Sudan Certificate of Secondary Education **Feb - 2018**
- Awarded Best Student at Civil Engineering Drawing Juba Technical Secondary School **March -2015**

## WORK EXPERIENCE

---

**Quality Assurance Manager | African Leadership University (ALU) Experience Learn (A.L.X.) | Kigali, Rwanda** **February 2024 – Present**

- Managed quality control processes for student projects in A.L.X., ensuring they met design specifications and industry standards.
- Developed and implemented quality assurance plans to identify and mitigate potential risks in student projects.

## LEADERSHIP EXPERIENCE

---

### **Resident Advisor**

**African Leadership University – Kigali, Rwanda**

**January 2024 - Present**

- I led a team of prefects to organize engaging activities and events, fostering a vibrant and inclusive community spirit among a diverse group of students at African Leadership University. While the number of students directly supervised at ALU (42) is smaller than the total student body (300+), my leadership experience applies to both settings.
- Resolved conflicts and addressed student concerns, ensuring a positive and supportive living environment for the students under my direct supervision.

## VOLUNTEER ACTIVITIES

---

**emphasize community engagement and initiative:**

**Community Outreach Coordinator (Sustainable Construction) –**

**February 2018 – 2024**

- Cultivated partnerships with a network of 12 stakeholders to champion sustainable construction practices within the local community.
- Initiated and spearheaded awareness campaigns to educate the public about environmentally friendly building materials and techniques.
