

SABWA SALAH SABRINE

sabwasabrine@gmail.com (+250) 787275830 Kigali,Rwanda

PROFILE

I am a dedicated IT student with a foundation in programming, web development, database management, and network administration. My background includes hands-on projects in these areas, as well as certifications in networking through Cisco and Huawei. I am seeking an academic internship to expand my practical skills and gain professional experience in the networking field, where I am excited to contribute my knowledge and enthusiasm.
