WORK EXPERIENCE

Intern – Social Media & Communication Design, CC-JOBS INGO, Rwanda

March 2024- December 2024

During my internship at CC-JOBS, I created engaging social media content, designed promotional materials, and contributed to improving the organization's visibility online. I worked closely with international interns to deliver workshops on circular economy and computer literacy, collaborated on events like the soft opening of Hire Me Afrika, and helped document important activities. I also gained experience in communication design, event coverage, and partnership coordination, all while enhancing CC-JOBS' social media strategy.

EDUCATION

Bachelor's of Creative Design (Last year)

University of Rwanda (KIST)
