### **SUMMARY**

---

I am currently pursuing my Bachelor's degree in Entrepreneurial Leadership at the African Leadership University in Kigali, Rwanda. With a strong passion for agriculture and a solid background in biology and geography from high school, I am committed to tackling and addressing agricultural challenges. My proven track record at Ngomalands, an agri-tech company, highlights my dedication to this field. I am eager to utilize my knowledge and skills to develop innovative solutions that promote agricultural growth and development.

### **PROFESSIONAL EXPERIENCE**

---

#### **Farm Manager, Ngomaland (2018-2022)**

- Managed a team of 30 people daily in farm operations, making sure tasks were completed on schedule to high standards.
- Implemented precised agricultural techniques, leading to an increase in crops yield and reduction in input costs.

#### **Extra curricular Involvement:**

#### **Member, Agriculture Club, High School**

- Promoted sustainable agricultural practices and innovation while fostering a community of passionate individuals dedicated to addressing agricultural challenges.

#### **Member, Community Service Projects**

- Improving urban agriculture practices in local communities and initiating practical initiatives that promote sustainable farming, enhance food security.

**Additional Qualities:**

- Strong problem-solving skills
- Excellent interpersonal and communication skills, with a proven ability to work effectively in team settings.
- Committed to personal and professional development.
